YMCA of Centre County 2024 Annual Giving Campaign
Giving Connects and Strengthens Your Community

When you give to the Y, you are creating connections and strengthening your community.

Open Doors: No one is turned away from the Y due to inability to pay. With the current costs of most basic needs, many people do not have much extra money for anything else. Your gift ensures that those in need your can access membership, swim lessons, child care, and other programs that foster well-being.

Anti-Hunger Program: The Y provides weekend food through the Backpack Program to over 1,200 kids throughout Centre and Clearfield Counties, as well as nutrition education and cooking programs. The Anti-Hunger Program even provides kids (and adults) with opportunities to give back and support their own school's Backpack Program. Your gift feeds kids and increases food security in your community.

Youth Programs: The Y provides scholarships for child care, summer camps, swim lessons, and other program, as well as many events for kids. Your gift provides a safe place for kids to learn, grow, and thrive.

Community Building Events: At the Y, special events are not just for kids! The Y is committed to providing opportunities for people of all ages and interests to gather together and build community. Your support makes it possible for these opportunities to be free or for the Y to provide Open Doors financial assistance if needed.

When you support the Annual Giving Campaign, 100% of your donation helps people become more connected and committed to your community. Please give to your Y at www.ymcaocc.org or complete a 2024 pledge form. Your Y and community thank you!

<< The kids also send love, "thumbs-up", and peace!
