YMCA SWIM LESSONS DURING THE AFTERSCHOOL PROGRAM

We are providing the opportunity for kids enrolled in our Afterschool Program to take swim lessons at no additional charge to families thanks to "Centre County Swims" - a Centre Foundation Donor-Advised Fund. Swimming is an incredibly important life skill for all, so please consider signing up for this special opportunity.

Space is limited, so sign up soon!

Lessons will be during the hours of the Afterschool Program, so participants should be sure to bring their swimsuit and towel to school on their scheduled day. YMCA Child Care Staff will walk participants to and from their swim lessons.
